Funeral Wishes (Template)

I Mr Lxxxxx Fxxxxxxx Gxxxxxx of 36 Foxx Lane London SW16 1XX have hereby accepted Islam on   1st of February 2009, and have been given the new name Mr Usman Ibrahim.

I direct my Executors, surviving relatives and friends to ensure that I have a funeral strictly in accordance with Islamic law, that must include Ghusl (washing), Janaazah (funeral prayer) and dafn (burial). In particular I do not wish for autopsy to be performed on my body, and request that my body be released for burial immediately upon death or as soon as is practical. I would also like to be buried in the Muslim Cemetery closest to the place of my death. Under no circumstances I wish to be cremated after my death. I am aware that this is a serious obligation and would request that you use your best endeavours to reach agreement over the fundamental matters mentioned and compromise on others if you differ in opinion.

Guardianship

If my husband /wife ("delete as appropriate") dies before me then I wish to appoint a Mosque in UK that caters for burials. This mosque should be of the Sunni tradition and my selected preference of mosque is (Name of Masjid and address), where I have embraced the faith of Islam to take care of my funeral arrangements. The cost of funeral will be paid for from my estate or by my family or friends.

This clause is only needed if there are children who are under the age of 18. There is a maximum of four Guardians and a minimum of one. There are no restrictions on which this is.

Salma Ahmed Ibrahim
